

Strictly Stock Rules & Regulations

RaceCeiver Radios and Transponders are mandatory, no exceptions. Equipment is available for sale or rental at the speedway front office.

Attention: All motors and transmissions must remain stock. No performance parts allowed. Carburetors, Camshaft, Pistons, Heads, etc. must remain stock. All cars must have same size motor and transmission that came in car for that year, make and model. No racing shocks, springs or suspension parts allowed. This is a low budget class and we want to keep it this way to help build the class.

Engine must be strictly stock. NO EXCEPTIONS. All block numbers must be visible, no grinding, or defacing of numbers. No racing shocks or springs even if they came with that make and model.

It is your responsibility to read and understand the following information. Your car will be in accordance with these rules or you will not race. Grace periods will not be granted, If you have any questions ASK. If your car is found not to be in accordance with these rules YOU WILL NOT RACE. If a discrepancy is found after the feature, you will be disqualified. It is your responsibility to have your car tech inspected on race day. IGNORANCE IS NO EXCUSE
